

Overview of the IDTA

The International Dance Teachers' Association is one of the world's largest examination boards, covering the full spectrum of dance examinations on a global scale, with over 7,000 members in 55 countries. The Association celebrated its centenary in 2003. For a full history of the Association [click here](#).

The objectives of the Association are:

1. To promote knowledge and foster the art of dance in all its forms.
2. To consult.
3. To maintain and improve teaching standards.
4. To offer a comprehensive range of professional qualifications in all dance genres.
5. To provide and maintain syllabi and technique in all dance genres to train dance for the profession.
